Cuero Regional Hospital: Urgent Care Walk-In Clinic to Open Sept. 4

Cuero, Texas: Cuero Regional Hospital is pleased to announce the scheduled opening of the Urgent Care Clinic at Cuero Medical Clinic is set for September 4. This will enable urgent care patients to seek care at Cuero Regional Hospital if additional or more advanced care is needed. The Urgent Care Clinic at Cuero Medical Clinic will provide care between the hours of 5 – 9 p.m. Monday - Friday with the last walk-in taken at 8:30 p.m. This broadens the scope of services offered by Cuero Health and will serve the best interests of the patients and the communities we serve.

“Listening to our patients is key and we know medical care is often needed after our clinics have closed, so we are thrilled to now provide afterhours walk in urgent care. This move aligns with our mission: to provide compassionate care to those we serve with a commitment to excellence in all we do, thus increasing access for all of those who depend on us in the communities we serve,” said Lynn Falcone, Cuero Health CEO. “This provides an important addition to our continuum of care.”

Cuero Regional Hospital is located at 2550 N. Esplanade in Cuero, Texas and offers an ED-Level IV Trauma Center, on-staff General Surgeon, and a TeleStroke program. For more information, please visit www.cuerohospital.org or call (361) 275-6191.
