Dewitt Medical Foundation Unveils Theme and Date for 2019 Gala

Cuero, Texas: The date for the 2019 Gala has been set for **Saturday, April 27, 2019**, so mark your calendars to reserve the date for an unforgettable evening. The theme of the 2019 Gala will be **“An Evening Under the Oaks”** in which attendees will spend the evening under the oaks on the grounds of Cuero Regional Hospital.

“We are excited to share this news with the public as this event is always highly anticipated by the community. Proceeds benefit continuing education for CRH and employees, retention efforts as well as talent recruitment,” said Suzanne Bell, Dewitt Medical Foundation secretary and Gala chair. “The change in location will provide us with an opportunity to turn our sights and attention to the mission we serve as we view our main campus under the stars– helping to provide quality healthcare services to our area.”

“The audience was mesmerized by the musical entertainment from Rotel and the Hot Tomatoes, so we are bringing them back, as well as our exceptional cuisine, traditional live and silent auctions,” said Martin Leske, board president.

“Support from the Dewitt Medical Foundation allows Cuero Health to invest back to the communities we serve, allowing us to recruit compassionate caregivers and aid in our retention of this amazing staff,” said Lynn Falcone, Cuero Health CEO. “We are thrilled to see the developments with the upcoming Gala and know the community will certainly enjoy ‘An Evening Under the Oaks’.”

Sponsorship tables varying in price from \$500 to \$10,000 are available as well as individual tickets for \$150 each. For more information about the Gala, sponsorship information, or to purchase tickets please contact Nikki Lantz at 361-524-6103 or email dmf@cuerohospital.org.
