

# Together.

*"When it came to my daughter needing medical care, there was literally no place like home. We had tried other big city hospitals, but for us, Cuero Community Hospital surpassed them. Here, we were finally able to receive a diagnosis and begin healing. Our family physician and the hospital staff (nursing, lab, x-ray) treated us like family. She is back to the regular routine of a healthy, normal teenager!"*

- Michele Wessels Kelley & Michaela Berger, Cuero Residents

**Serving the Greater DeWitt Area**

HOSPITAL • HOME HEALTH • FAMILY MEDICINE CLINICS • WELLNESS CENTER
