Cuero Regional Hospital: Free Drive-Thru Flu Shots

Cuero, Texas: In their commitment to your health, Cuero Regional Hospital is offering free, drive-thru flu shots while supplies last on October 9, 11am to 1pm, and October 10, 5pm to 7pm.

Flu shots for ages nine and up will be conveniently given to you in the comfort of your vehicle in the front parking lot of Cuero Regional Hospital, located at 2550 N. Esplanade (look for signs on how to enter for drive-thru line from Hwy. 183).

“We are seeing cases of the flu very early this season and encourage those in the area to take action immediately to get the flu vaccine. If unable to attend this event, please visit one of our clinics to have them administer the flu shot. Clinics offering flu shots are Cuero Medical Clinic, Parkside Family Clinic, Goliad Family Practice, Yorktown Medical Clinic and Kenedy Family Practice,” said Keisha Whitman, Infection Prevention and Employee Health for Cuero Regional Hospital.

Those with traditional Medicare are asked to bring their card. For any questions, please call Keisha Whitman at 361-275-6191.
