Cuero Regional Hospital: After Hours Walk-In Clinic Updated Hours

Cuero, Texas: Starting Nov. 1, The Urgent Care/After Hours Clinic at Cuero Medical Clinic will provide care between the hours of 5 – 7 p.m.

“This change in hours was based on utilization of the walk-in clinic. If the patient requires more advanced care, there is great comfort in knowing that Cuero Regional Hospital is located within steps of the clinic. Listening to our patients is key and we know medical care is often needed after our clinics have closed, so we are pleased to provide afterhours walk in care.” said Lynn Falcone, Cuero Health CEO.

While appointments are not necessary, patients may call 361-275-3466 in advance of seeking urgent care attention.

Cuero Regional Hospital is located at 2550 N. Esplanade in Cuero, Texas and offers an ED-Level IV Trauma Center, on-staff General Surgeon, and a TeleStroke program. For more information, please visit www.cuerohospital.org or call (361) 275-6191.
